

Know Your Rights & Protect Your Children

- 1** You may refuse any part or all of preschool screening, including subjective socioemotional (mental health) screening and the state's nosy questions about your family's life (MS 121A.17, Subd. 3e)
- 2** School districts cannot force you to submit your child to mental health screening or psychiatric drugs by threatening child abuse or neglect charges or removal from school or by limiting school activities. (MS 121A.47, Subd. 14b)
